

AUTHORIZING A COMPUTER IN ITUNES

STEP 1:

- Double click the iTunes icon on your desktop.

STEP 2:

- From the "Store" drop down menu, select "Authorize Computer."

STEP 3:

- Enter your Apple ID and Password.

NOTE:

You can only authorize 5 computers at a time. If you switch computers, you can deauthorize a computer to add a new one by selecting "Deauthorize This Computer" in Step 2 above.
